

KANDOOMA Discover – Experience - Celebrate

HPL Hotels & Resorts latest property in the Maldives is due to open its doors in June 2008 !

Kandooma has developed a fresh approach to an island holiday in the Maldives. Spectacular architecture inspired by sea barnacles offer space, natural light, fresh air and a sense of being outdoors even when indoors. Accommodation for guests is designed with cool clean lines of white washed timber, large picture windows that look out to great aquamarine vistas. Up to date amenities have been thoughtfully furnished to ensure you remain wirelessly connected to the world...if you wanted to!

Dining at Kandooma infuses the flavours and cooking techniques of The Mediterranean and Asia; an ideal mix for the warm climate. Moonlit beachside dinners, take-outs, cook-your-own-BBQs and castaway picnics are frequent events, as are the sunset cocktails and tapas on the rooftop of “The Kitchen”, Kandooma’s upscale dining concept.

With some of the region’s best dive locations within almost swimming distance, Kandooma is a sub-aqua haven. An internationally accredited P.A.D.I. dive centre, numerous sea sports, recreational activities, Kids Club and enchanting past-time leisure activities make up a catalogue of extraordinary sports and recreation pursuits.

If you are a resident of the Maldives (proof of residency via Passport or Work Permit), now you have the opportunity to be the very first few to discover, experience and celebrate life - at Kandooma!
